CRA Faithful Volunteers

## *Dear Friends of Christian Renewal,*

*It seemed a good idea to let you see who is working with me to help this worldwide ministry move forward. We are small but mighty, and growing, as we work for our King and His Kingdom. Remember us in Year End Support for this 501-c-3 organization, making it possible to progress in our many new and creative projects ahead in year 2003. Applause to those listed below. Much love,*

**Rita Bennett, President, C.E.O.**

*For ten years, Gigi has been office manager and copy editor for CRA. "I've enjoyed working with Rita behind the scenes to further the ministry of healing people on the inside. At times, my husband Dale has volunteered his time and muscle as well."*

**Gigi Esnough, staff**

*In graphic productions, Patty has been part of CRA's staff since 1992. Her husband Rick assists part time with database management and son, Michael with CD duplication. Daughter, Jennifer is a great volunteer. "I've been blessed to be a part of this work. We love being a CRA family!"*

**Patty Pierson, staff**

*"When Rita called me in February 1999 it was the beginning of a creative adventure as CRA's Webmaster. It has been an inspirational journey and I look forward to what ever challenges the future may bring us."*

**John Watson, Webmaster, staff**

*"What a joy its been for me to serve on the CRA Board since early in its inception. I'm so grateful for Dennis's obedience to the calling God had for him, and for Rita's carrying on that work plus exploring her own new vistas. "I'm featuring authors at my Historic office 524 Main St. in downtown Edmonds. You're invited to the next event which will feature Rita Bennett at a reception February 15th, 1:00pm to 2:30 pm providing a chance to meet and visit with her."*

**Joan Longstaff, Board Member**

*"This ministry is very special and life changing. Its changed my life giving me a feeling of wholeness and self worth which I pass along to others as a prayer-counselor. Rudy supports me in my calling. I consider it a privilege to be a longstanding Board Member of CRA."*

**Anita Zinter, Board Member**

*"I was delighted eight years ago when Rita asked me to be on the CRA Board as secretary. Although I had been working closely with her in the inner healing ministry for five years prior, it gave me an opportunity to serve in a new way and helped me see this ministry, that I love, from a fresh perspective." Her husband Dave (not pictured) has been a strong support.*

**Shirley Wilson, Board Member**

*Dr. Keith and Lee Oles have worked with me as copy editors for the newsletter and other projects since 1992. They loved Dennis and became even dearer friends to me as we've worked together during this time.*

**Dr. Keith Oles, Rtd. University Professor. Lee fine artist.**

*The office volunteers for CRA are vitally important to us. Some of the faithful shown here are from right to left: Betty Bell special photographer, Jackie Cowling, Maxie Cissna one day weekly, Beth Hubbard home-office steward, Dorothy Boehm, and Connie Forsberg. To these and the many others not pictured here a big "thank you!"*
